

Best Practice:

(a) The Title of the Practice: Entrepreneurship Development Initiative.

(b) Goal : The aim of this initiative is to promote Entrepreneurship skills among student community and also promote gainful employment opportunities.

(c) The Context : Modern day is the day of entrepreneurship. Students after completing their course programmes go in search of employment, but only a few could get employment they prefer or desire. Considering this and keeping in tune with the vision of the Institution, College has devised various Entrepreneurship Development Initiatives so that the students can utilise their talent and skills to make a better living. These students groups from the College level can join together to form their own units and become successful entrepreneurs of tomorrow.

(d) The Practice : College has been imparting various programmes for skill development of students.

(e) Problems Encountered and Resources required: Funding is a problem for the College. There is time constraint for students to pursue these activities. However faculty and students tries their best to overcome the hurdles and to bring in positive results. Educational institutions can help students develop their skills by merging theory to practice. The students can

get a base with the support of faculty and peers. This is to be looked into by the educational institutions.
